

**United Nations  
Environment  
Programme**

Distr.: General  
31 July 2006

English only

---

**Lead and Cadmium Working Group**

First meeting

Geneva, 18–22 September 2006

Item 3 of the provisional agenda\*

**Consideration and finalization of the draft reviews of  
scientific information on lead and cadmium**

**Draft reviews of scientific information on lead and cadmium**

**Note by the secretariat**

1. The two documents listed below have been circulated to members of the Working Group and others who notified the United Nations Environment Programme (UNEP) in advance of their participation at the first meeting of the Working Group and are to be reviewed under item 3 of the provisional agenda:
  - (a) Review of scientific information on lead (revised draft of 18 August 2006);
  - (b) Review of scientific information on cadmium (revised draft of 18 August 2006).
2. Because of their size, the two documents are not attached to the present note, but were sent out directly by e-mail to those with e-mail access and mailed out to those without such access. The documents can be accessed on the Lead and Cadmium Activities website at [http://www.chem.unep.ch/Pb\\_and\\_Cd/WG-meeting.htm](http://www.chem.unep.ch/Pb_and_Cd/WG-meeting.htm). Hard copies of the documents will be sent out on request by contacting UNEP Chemicals Branch, Division of Technology, Industry and Economics, by facsimile at + 41 22 797 3460, by e-mail at [metals@chemicals.unep.ch](mailto:metals@chemicals.unep.ch) or by writing to Lead and Cadmium Activities, UNEP Chemicals, International Environment House, 11–13 Chemin des Anémones, CH-1219 Châtelaine, Geneva 10, Switzerland.
