<b>SECTION 1.</b> <b>Have studies been undertaken to identify the major sources of dioxins/furans in your country?</b>	Yes <input type="checkbox"/> No <input type="checkbox"/>
<u>Comments:</u> No data exists on the production of dioxins and furans. They are not imported or exported, however, there are suspected emissions of these chemicals from manufacturing processes such as burning of waste oils. No monitoring programs are in place to examine the emissions, the exposure, and the concentrations of these chemicals in environmental media.	
<u>Reference:</u> Information forwarded from, and subsequent discussions held with the Registrar of Pesticides and the National Countepart (Fiji) of the Management of Persistent Organic Pollutants in Pacific Islands Countries Project, Mr. Moti Lal Autar.
