<p><b>SECTION 1.</b> <b>Have studies been undertaken to identify the major sources of dioxins/furans in your country?</b></p>	<p>Yes    <input type="checkbox"/></p> <p>No     <input type="checkbox"/></p>
<p><u>Comments:</u> The Republic of Mauritius does not produce any of the listed POPs, and according to the best information available, there has been no import or export of these chemicals. No extensive studies have been carried out to identify sources of POPs. However, pesticides in the listed POPs are banned or severely restricted by the Pesticide Control Board which regulates the import of same.</p>
